About Our Society

Have you received a “Vincentian Calling” of direct service to the poor? The Society is composed of women and men who seek their personal holiness through works of charity. Being a member is a commitment to our brothers and sisters in need not only for material necessities, but for a personal gift of heart and friendship.

We are known as Vincentians and are called to serve as Jesus served. We are the bearers of hope for those who suffer. As Vincentians, we see the face of Christ in those we serve.

Vincentians are joined together to grow spiritually by offering support through prayer and person to person service in the tradition of our founder Blessed Frederic Ozanam and patron St. Vincent de Paul. By doing this we fulfill two great commandments -

LOVE OF GOD AND LOVE OF OUR NEIGHBOR.

Why We Serve

No act of charity is foreign to the Society. Conferences around the world provide assistance in many different forms. At our St Andrew conference, we focus on providing food,, basic assistance and working with partner agencies to address the many and varied problems that our brothers and sisters in need confront on a daily basis . We may facilitate an appointment to get rental or utility assistance, help with a medical prescription, provide food or clothes , or help in establishing a household.. We strive to be knowledgeable about local resources that would be helpful to our clients. We guide them, encourage them, and pray with them.

“Extend mercy toward others, so that there may be no one in need whom you meet without helping. For what hope is there for us if God should withdraw his mercy from us?”
